

SERVICE CONTRACT

Thank you for choosing Dog Gone Detectives to help in attempting to locate your missing pet. The following agreement spells out the terms and conditions of this project. Please keep a copy for your records.

Our services shall include attempting to locate your pet's trail and establishing a direction of travel of your missing pet. This is done by utilizing a search dog that has been professionally trained as a scent specific trailing dog. This is accomplished by presenting the search dog with an item that is unique to your pet and contains your pet's scent (ie: collar, bed, toy). If your pet has walked away, then the search dog will pick up the trail. If there is a possibility that your pet was taken from your yard, or home, then a trail will not be able to be established. We will follow that trail until one of three things happens;

#1- Your pet is located,

#2- The trail is lost or ends (usually means pet was picked up in that area).

#3- Three hours time has elapsed, from the time that we arrive at your location.

(If at the conclusion of the initial three hours service, you would like for us to continue to trail your missing pet, and it is still plausible to do so, we will continue our services at the additional rate listed below..)

Our base fee for the services described above is \$_____. That fee is based on _____, and includes travel time to and from your location, fuel cost, consulting, attempting to establish a direction of travel of your pet, one of the 3 conclusions listed above, and general expenses incurred by providing this service. A debriefing of what has occurred and suggestions of what could be done after we leave, should your pet not be located, will be verbally given to you at the end of the search.

Additional hourly fee rates for continuing a search after the three (3) hour service will be \$ _____. This rate will be for time on the same day that the initial service was provided. This service will be agreed upon by both you and Dog Gone Detectives at the beginning of each hour. Should you want DGD's to stay at your location and work an additional day, or return on another day to search for your pet, a new contract will be started and the same rates, terms and conditions will apply.

Payment of the base fee must be made as follows: One-half of the above-mentioned base fee is due upon our agreement to travel to your location, the other half is due upon completion of our services outlined above. Payment for additional time (as described above) must be made at the beginning of each hour as you request it.
